

Friends of Murrk Ngubitj Yarram Yaluk

Help us care for this special reserve (formerly the Bellarine Basin) on Wadawurrung Country by becoming a 'friend'. Join Bellarine Catchment Network each month to participate in activities like weeding, flora surveys and more. This new 'Friends of' group is supported by Barwon Water and the Wadawurrung Traditional Owners Aboriginal Corporation.

- Meet like-minded people
- Learn about Indigenous and weed plant species
- Help restore local habitat for our wildlife
- Contribute to citizen science
