

Shortlands Bluff

ENVIRONMENTAL WORKS COMMUNITY SITE MEETING AND UPDATE

Bellarine Catchment Network and the Borough of Queenscliffe are inviting community members to attend an open site visit to view the weed control and environmental works that have been conducted in 2023 and discuss plans for maintaining the site, managing weed re-growth, revegetation and bush regeneration.

Details:

Date: Tuesday 13th June 2023

Time: 2.00pm - 3.00pm

Location: Shortlands Bluff, Hesse St
opposite Queenscliff Recreation
Reserve Queenscliffe

Activities include:

- Review forest mulcher / woody weed removal works
- Look at citizen science flora survey techniques
- Review revegetation plan and timelines
